*Dear Sir/Madam,*

Dated : 18.08.2021

I have immense pleasure in sharing that a new and revamped Saansad Adarsh Gram Yojana (SAGY) website has been made live recently. The website is much more user friendly than before with more pertinent information related to SAGY and updated data on the progress of the scheme. Furthermore, it was suggested that a special portal within the website be designed for the use of Hon'ble MPs with relevant information to help them in identification of SAGY GPs and monitor the progress in their selected GPs. Hence, an MP Dashboard is now available on the website [www.saanjhi.gov.in](http://www.saanjhi.gov.in). The states have access to this portal using the same user credentials as being used for SAGY MIS. I request you to kindly access the portal and provide your valuable suggestions.

2. In order to better monitor the progress of all projects/ schemes taken up in the Village Development Plans (VDP) of SAGY GPs, a feature to update the saturation status of schemes which have to be saturated on 100% basis under VDPs, is being made available shortly on the MIS. I request you to kindly direct the District Nodal Officers to ensure that the Charge Officers (CO) for respective SAGY GPs update the saturation status on a weekly basis.

3. I eagerly look forward to working with you on transforming the Gram Panchayats identified under SAGY to 'Adarsh Grams' which will function as a school and model of developmental learning for other surrounding Gram Panchayats to emulate.

*Warm regards,*

Yours sincerely,

*Banerjee*
