Sir/Madam,

As you may be aware, the Prime Minister has launched Saansad Adarsh Gram Yojana (SAGY) on 11.10.2014. The guidelines of the Scheme are available on the website at <http://www.saanjhi.gov.in/pdf/guidelines>. Under SAGY, one of the component relates to Watershed Management, especially renovation and revival of traditional water bodies which aims at developing a village along the principles of Watershed Management to enhance livelihoods, through improving irrigation, improving drainage, and checking erosion.

You are, therefore, requested to take up the above works on priority in the villages selected under SAGY and which are falling in IWMP project areas and expedite the implementation of the programme in these areas. You are also requested to include such villages under IWMP, if not done earlier.
